| NOTICE: Separate permits are required for building, electrical, mechanical, plumbing, heating ventilation, air conditioning, sprinklers, underground fire service, and signs. This permit becomes null and void if work of construction authorized is not commenced within 6 months, or work or construction is suspended or abandoned for a period 6 months after work is commenced. Work shall be considered suspended if an approved inspection has not been made within a 6 month period. Issuance of permit shall not be held to permit or to be an approval of the violation of any provisions of any county ordinance/resolution, or state laws. I certify that the information submitted herein is in compliance with the State of Tennessee Licensing Laws. |               |   |                 |                 |                                |                |                        |                     |  |
